

# NFL PRO BOWL TRASH TALK

Hahahahaha, psyche!

No, there is no substantive Pro Bowl Trash Talk. Because the Pro Bowl is a complete worthless joke.

This is a let loose on idiocy in general post. Which is more than what the NFL Pro Bowl is at this point.

Have fun and let yer hair down.

Music by Jefferson Airplane. Paul Kantner was an incredibly nice, and extremely under appreciated, seminal musician. RIP Mr. Kantner, and thanks.
