

OBAMA WHITE HOUSE SPONSORS YOUNG AND RICH NARCISSISTIC 1% FUCKTARDS THAT WILL RUIN THE WORLD

Proving it is never too late to shine your lame duck ass for a new generation of 1% oligarchs, Barack Obama laid open the real constituency of national politicians. And proved certain any inference that such was only the constituency and province of the GOP, Koch Brothers et. al is false.

If this is not stupid and ugly to the common Democratic fanchild, it is hard to imagine what is, or could be. From the New York Times hagiography:

On a crisp morning in late March, an elite group of 100 young philanthropists and heirs to billionaire family fortunes filed into a cozy auditorium at the White House.

Their name tags read like a catalog of the country's wealthiest and most influential clans: Rockefeller, Pritzker, Marriott. They were there for a discreet, invitation-only summit hosted by the Obama administration to find common ground between the public sector and the so-called next-generation philanthropists, many of whom stand to inherit billions in private wealth.

"Moon shots!" one administration official said, kicking off the day on an inspirational note to embrace the White House as a partner and catalyst for putting their personal idealism into practice.

"Moon shots!"

I guess the Obama White House couldn't fathom a better phrase for coming in their pants over big money.

If there is a more sick comment on the perverted state of US national politics, it is hard to imagine what it would be.

We are ruled by a bunch of oligarchs, and political handmaidens that kiss the oligarch's asses and hew their beck and call. If the fact the great once and forever symbol of the common citizen "hope and change", Barack Obama, is such a distant leader, constantly beholden to not only the future of the moneyed class, but the current too, then there is no reality for the American public.

The well-heeled group seemed receptive. "I think it's fantastic," said Patrick Gage, a 19-year-old heir to the multibillion-dollar Carlson hotel and hospitality fortune. "I've never seen anything like this before." Mr. Gage, **physically boyish with naturally swooping Bieber bangs**, wore a conservative pinstripe suit and a white oxford shirt. His family's Carlson company, which owns Radisson hotels, Country Inns and Suites, T.G.I. Friday's and other brands, is an industry leader in enforcing measures to combat trafficking and involuntary prostitution.

Oh my. And holy crap.

The New York Times penned a factual report of this sick instance. Will the New York Times, Washington Post, Wall Street Journal, or any of the other august opinion pages of national press, deign themselves honest enough to write opinion and/or editorial pieces recognizing this political cancer for what it really is?

If you did not view the video, and listen to the

lyrics in the video above, do so. Because that is exactly the class of “super citizens” your elected leaders are beholden to. The handful of billionaires count for far more than the actual billions of people on this earth.

Want proof? Look no further than the “liberal”, “socialist”, “Democratic” Obama White House, who just demonstrated the problem in Technicolor.

And, before you chafe, of course it would be even worse with Republicans in charge. But the question is no longer just which party is in control of the levers of power (though it DOES matter for SCOTUS), but where the values of the country really are.

It is almost impossible to fathom the country’s values are with the pimple faced, Bieber banged, teenager scions of billionaires the Obama White House so calmly and coolly glad-hands.

[Seriously, watch the video from the one, the only, fantastic Tubes:

Young and rich
Everything I desire
Light bulbs with shades
in every room
And work is play—believe me
Nothing must come too hard
It comes in the mail
most everyday

Maybe our leaders should find a more representative, and morally balanced, set of leaders for the future.]
