

THINK OF THE HPSCI REPORT AS A TIME MACHINE TO LAUNDER DONALD TRUMP'S RUSSIA RUSSIA RUSSIA CLAIMS

Right wingers on the House Intelligence Committee used a 2018 indictment from Robert Mueller as part of their "proof" that authors of the Intelligence Community Assessment report finalized in January 2017 ignored evidence that Putin wanted Hillary to win. The entire HPSCI Report attempts to create a time machine to make Trump's Russia Russia Russia problem go away.
