

# **BOILING FROG JOURNALISM: THE COLLECTIVE YAWN AS TRUMP'S PARDONED FOREIGN AGENT PLOTS A COUP**

Maggie Haberman reported the scary details of a crazy meeting on Friday at which, in addition to trying to hire Sidney Powell to continue he fraudulent attack on the US from within the White House, he also entertained the idea of a coup floated by the General he recently pardoned for lying about being a secret agent. And then the NYT buried the story.
