

# **“THIS PROBLEM WILL NOT BE DISCUSSED IN PUBLIC”**

I do intend to return to my planned series on Matt Bai and the Serious People. But for now, David Sanger asks a question that really needs to be asked: what is going to happen to Pakistan's nukes? Before I look at the answer Sanger offers, let me point to this one line in the story.

“It’s a very professional military,” said a senior American official who is trying to manage the crisis
