

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

NO. 10-20005

v.

HON. NANCY G. EDMUNDS

UMAR FAROUK ABDULMUTALLAB,

UNDER SEAL

Defendant.

SECOND CIPA PROTECTIVE ORDER

The United States of America filed a second *in camera, ex parte* motion pursuant to Federal Rule of Criminal Procedure 16(d)(1) and the Classified Information Procedures Act ("CIPA"), 18 United States Code, App. 3 § 4, for a protective order precluding discovery of certain classified information. The government's motion was accompanied by exhibits and a declaration of a government official detailing the harm to national security that could reasonably be expected to result from disclosure of the classified information at issue.

On 9/26, 2011, the Court reviewed *in camera* and *ex parte* the government's motion, exhibits and declaration.

For the reasons described in the government's motion and declaration, the

Court **GRANTS** the government's motion for protective order and **ORDERS** that the government is not required to provide to the defense the classified information that the government identified in its motion and sought to preclude from discovery.

IT IS SO ORDERED.
