2 MR. CARTER: Mr. Moussaoui, we're going to  
3 discuss with you some of your experiences in Kandahar and  
4 the different facilities that you are aware of that  
5 al-Qaeda maintained in that area during the time that you  
6 were there.

7 Before we begin again will you -- will you take  
8 the oath?

9 THE WITNESS: Yes, I do. I swear by Allah that  
10 everything that -- they I will say is true. I swear by  
11 Allah that everything I will say is true. I swear by  
12 Allah that everything I say will be the truth. I swear by  
13 Allah that everything I say will be the truth.

14 EXAMINATION

15 BY MR. CARTER:

16 Q Mr. Moussaoui, at some point in 1998 did you  
17 become affiliated with Osama bin Laden's organization?

18 A Yes, I did, after having send my resume to  
19 Osama bin Laden and I tell him that I was -- I have a  
20 Master degree, I speak English and French, and I had  
21 been -- I had been to Chechnya, I we -- I went to Kandahar  
22 where I met Shaykh Abu Hafs, the commander, Mohammed  
23 Chief; and also Mohammed Masri, okay, was his right hand,  
24 okay, and, then, I met also Osama bin Laden the day after  
25 privately, okay.

1           And, so, I started to have agreement on  
2 different activity that I wanted to -- to conduct with --  
3 with him, okay, and -- relating to bombing the American  
4 Embassy in London, okay.

5           And with Abu Hafs we have -- make an agreement  
6 that I will undergo renewed training in the homemade  
7 explosive, what you call "dusnia(phonetic)," meaning that  
8 am -- ammonium nitrate and hydrochloric acid and -- to  
9 make detonator.

10           After that I started to -- to -- to -- to work  
11 for -- to -- to -- for Abu Hafs, 'cause he asked me to --  
12 to create a data ba -- bank of the donation to -- to --  
13 to -- to al-Qaeda, Shaykh Osama, and, so, I took a  
14 computer and I went in the guest house and I was, on a  
15 daily basis, entering that data about who give money and  
16 how much money were given to al-Qaeda by mainly Saudi  
17 people, relief foundation, bank and Saudi prince, and  
18 Saudi scholar, shaykh Saudi Arabia.

19           Q       Between the time you became affiliated with bin  
20 Laden's organization in 1998 and the year 2000 did you  
21 spend an appreciable amount of time in Kandahar?

22           A       I in and out, I must have spend more than two  
23 year, okay, and I stay many months, because I used to run,  
24 at some point, the guest house, I used to be responsible  
25 for the security at -- arrangement of the guest house in

1 Kandahar in -- in -- the press called "Hajji Habash" in  
2 Kandahar, who was across the road of the Arab --

3 THE COURT REPORTER: The Arab what?

4 MR. CARTER: Institute.

5 THE COURT REPORTER: Thank you.

6 Q (By Mr. Carter) During the time you were  
7 associated with bin Laden's organization and in the  
8 Kandahar area, did you become familiar with al-Qaeda's  
9 facilities in Kandahar?

10 A Yes, initially I become -- I was receiving  
11 secret house, it was just very close from the house of the  
12 Chief of the Taliban, okay, it was run by -- secret house  
13 by somebody who called "Sadaf," okay, and I was there,  
14 okay, and that's where I met Shaykh Abu -- Shaykh Abu Hafs  
15 and Abu Mohammed and most of the people of -- of the  
16 top-ranking of al-Qaeda, okay, and that's where -- I got  
17 to go there.

18 And, then, after that we move across the road  
19 to a place that was also very close to the Chief -- the  
20 Chief of the Taliban, it was just a park, a garden  
21 separating from the house of the -- of the Chief of the  
22 Taliban. That's the second place, okay.

23 All this being very close -- not far -- on the  
24 same road of the Chi -- of the Chinese hospital. There's  
25 a dispensary and you go further and there is the Chinese

1 hospital (indicating).

2 Q (Attorney nodded.)

3 You mentioned the two secret houses near the  
4 home of the head of the Taliban. Did other al-Qaeda  
5 facilities open up later in Kandahar that you are aware  
6 of?

7 A Yes. After that the -- the airport was opened  
8 and all the top people, Osama bin Laden and Abu Hafs,  
9 the -- the comman -- the military commander Abu Mohammed,  
10 and all of the family -- the main family the -- went,  
11 there was roughly 50 people living -- being housed on a  
12 permanent basis, okay, into the -- into the airport.

13 Then there was also a guest house who was  
14 opened after the camp post closed in Kabul, okay, and  
15 before effectively we opened the camp into the -- the  
16 desert in Kandahar. So the guest house was opened and  
17 basically I -- we opened -- I and Abu Khallad -- it was  
18 open -- he was the on-the site Emir Chief, okay, and it  
19 was the -- the overlord Chief was Abu Yasir Al Jazairi,  
20 okay, and that was a guest house.

21 There was also the Institute -- the Arabic  
22 Institute was just across the road, okay, and this  
23 Institute was teaching Arabic and Islamic study mainly to  
24 the -- the top of the Taliban who used to come every  
25 afternoon, okay, to -- to learn Arabic and to be Islamic

1 study, okay, and also used to be used for -- for very  
2 important pe -- people coming from outside, you know, from  
3 the -- Saudi Arabia, some people from -- being sent by the  
4 ulema, Bin Baz, Uthaimeen, or -- or any shaykh, or  
5 anybody, because it was also an Islamic study center,  
6 okay.

7 So Shaykh Abu Haf Mauritani used to come every  
8 day there, used to -- used to be split for -- Shaykh Yusef  
9 al Mauritani as well, okay, Shaykh Aman al Mauritani was  
10 also working there all the time.

11 There used to be a big library where all the  
12 books -- Islamic books were there, so they will come all  
13 the time, take books and bring them back all -- all the  
14 time.

15 And also Shaykh Esa al Mauritani, okay.

16 Q The facility that you referred to as the  
17 airport, was that some sort of compound?

18 A Yeah, it was a compound with -- within the  
19 airport -- next to airport, a five-minute drive from the  
20 actual airport of Kandahar, okay, and it was a compound  
21 with -- with a big hangar, okay.

22 Then there was -- there was two -- it was split  
23 in two, three -- two main -- two main section where --  
24 there was a gate where one section was -- it was all the  
25 family, okay, where people, children, family was there,

1 and Osama bin Laden was there; and, then, there was an  
2 aflag, the -- the celibate people, okay, okay, and here  
3 there was a guest house; and behind this there was the  
4 media center where the -- we call it "Ali Allah," or media  
5 center, and where there was also office for Shaykh Saeed,  
6 and some people -- Shaykh Abu Hafis, the commander had  
7 office there.

8 Q Was there a mosque in the airport compound?

9 A Yes, next to -- next to the house of Shaykh  
10 Osama there was a mosque.

11 Q The guest house you ran, was that named "Hajji  
12 Habash"?

13 A Yes, that's -- I -- I don't know if it was the  
14 name that you give to the taxi, to the Rachians(sic) --  
15 the Karachians, the -- the free -- free-wheeler taxi,  
16 okay, when you want to go there you say "Hajji Habash."

17 Q So if you wanted to go to the guest house you  
18 would say "Hajji Habash"?

19 A Yeah, that's correct, that's what you would  
20 say.

21 Q And was that directly across from the Arab  
22 Institute?

23 A Yes. And just in front there was a mosque  
24 that -- that was -- on the left there was a mosque, okay,  
25 on the right there was a --

1 Q Was --

2 A -- was the guest house, in the middle there was  
3 Arab --

4 Q Was the Ar --

5 THE COURT REPORTER: In the middle was what?

6 MR. HAEFELE: Arabic Institute.

7 THE WITNESS: Arabic Institute.

8 THE COURT REPORTER: Thank you.

9 Q (By Mr. Carter) Was the Arabic Institute  
10 associated with bin Laden's organization?

11 A It was created by him, he -- it was created  
12 especially by Shaykh Abu Hafs Mauritani, and he was the  
13 Director, he was in charge. When we have the -- Bra --  
14 Braman Masli used to be the undersight guy, okay, but the  
15 one that was Director of the Institute was Abu Hafs  
16 Moritani.

17 Q What was your responsibility at the Hajji  
18 Habash guest house?

19 A Shaykh Abu Hafs, the commander, asked me --  
20 the -- asked me -- I don't know -- the middle of 1999 or  
21 2 -- 2000, okay, just -- the beginning and to the middle,  
22 'cause I left I think May or June, okay -- he asked me  
23 to -- to -- to -- to work with Abu Fouz, okay, and to  
24 organize the shop, the canteen and the security, and --  
25 and do -- and -- and -- the shop, the canteen, the

1 security of the -- the guest house, so -- and also the  
2 clinic, or later when more people come in he created --  
3 because people were getting more sick, so we use a  
4 basement initially for the clinic, and, then, when people  
5 were -- we thought that it was -- it was not Ebola, but we  
6 thought that it can have some contamination, so we created  
7 a -- a clinic net on the back of the Arabic Institute, but  
8 we took it out of the -- the guest house.

9 Q What -- what was the purpose of the Hajji  
10 Habash guest house?

11 A To receive all the -- the -- the mujahideen,  
12 the people who wanted to receive military training, okay,  
13 and -- to -- to receive them.

14 Also we receive donation from the people who --  
15 who will come, okay. We also recei -- we -- we check  
16 their background, receive a letter of introduction, okay,  
17 it's called a "duskia(phonetic)," okay. So, like, look  
18 over them, okay, this one is being sent by Shehri --  
19 Shehri Uthaimen and Shehri -- so they will all come with  
20 a letter of introduction.

21 But if you come and you just walk in probably  
22 you walk out, 'cause at the time it was not -- everybody  
23 will not be accepted, okay. I -- I personally remember  
24 saying some people, "I am sorry, we don't know who you  
25 are, you have to leave."

1           So -- so they -- most of the people will have a  
2 letter of introduction, or we have someone to vote for  
3 them, "I know these people, he is my neighbor in Saudi  
4 Arabia, I came, he's safe, he's not -- not a spy," that's  
5 all you used to -- used to -- you have to have somebody  
6 who know you, or to have a letter of introduction.

7           Q       Was it common for the letter of -- letters of  
8 introduction to be written by an Imam?

9           A       That's what -- what was expected if you were  
10 from Saudi Arabia. If you are from -- if you are Shehri  
11 al-Uqlaa, Shaykh Salman, Shaykh Uthaimen, and some people  
12 are famous -- I mean, if -- if you -- if you are not known  
13 you need a letter, if you are known you just need to say,  
14 okay, he know me, and some people said, yes, he know me  
15 and that's going to be enough, okay, or he -- that's all  
16 he -- he would.

17                   But somebody have to vote for you or somebody  
18 have to do a letter, but you cannot come now, although I  
19 think there is good explanation.

20                   And -- and we -- we -- if you are suspicious  
21 they -- we send you to the front line and we send you to a  
22 good operation to make sure that you are ready.

23           Q       As the -- as the security officer at the guest  
24 house did you personally see these letters of  
25 introduction?

1           A     I -- I used to be the first one who would take  
2 them.

3           Q     And do you remember the names of any of the  
4 Saudi shaykhs whose letters you saw?

5           A     No, because I used to think about it, I knew  
6 not to read them because I am not very good, so I will  
7 give them to Abu (indicating).

8           Q     And did he ever tell you the names of any of  
9 the shaykhs who were providing recommendations?

10          A     Yeah, they were very familiar, like I say,  
11 Uthaimen, Bin Baz, and Shaykh Aman and Shaykh Amoudi,  
12 Shaykh Hawari. Many they were very familiar, and as soon  
13 as you -- he -- if he would say okay, he's okay, then I  
14 will not ask him who shaykh vote for him or who -- who  
15 give recommendation, he say it's okay. I will give him  
16 the letter, he will read it, it's okay, can go, that's all  
17 we go talk about.

18                   After that -- because when he come we will --  
19 we had to -- like a room on the first floor at the  
20 entrance, okay, and he will be there, we put his -- all  
21 his belonging and I will search it, okay, because we were  
22 looking maybe somebody bring a bomb and just leave it and  
23 go during the night, then explode us, you know. So I will  
24 search his stuff, okay, okay, make sure he don't have any  
25 weapon.

1           We will forbid any electronic, okay, radio,  
2 anything, because we knew that -- we had experience that  
3 some radio were not radio, they were transmitter, and  
4 blah, blah, blah, okay, so we -- we search them for any  
5 elect -- electronic, okay. And, then, after that he  
6 will -- he will already be to go to sleep and all, okay.

7           In the morning, if he had a letter, we will  
8 talk with him to know exactly what he wanted to do, you  
9 know, his -- and what he -- he will feel, especially with  
10 Abu Bakr he will feel kind of admission letter to know  
11 what is his trade, what is his knowledge, what he can do,  
12 what he can't do, you know -- that's the kind of thing  
13 that we wanted to know, 'cause maybe somebody is -- is --  
14 is a mechanic, somebody is a good -- know topography, you  
15 understand? We were looking to know what this guy know,  
16 how can we use this guy.

17           Q       Where were the majority of the recruits coming  
18 from during the period that you ran security at Hajji  
19 Habash?

20           A       Initially 100 percent Saudi, initially.  
21 Initially were I feel -- when -- sorry -- Saudi, when I --  
22 I always say Saudi -- Saudi, Yemeni, so we -- because a  
23 lot of Yemeni in Saudi Arabia, and some Yemeni are  
24 Chechnya, okay, the Arab -- Arabic peninsula.

25                   After 2000 when there was reconciliation I

1 would say between the Morrocan, Nigerian and Tunisian with  
2 Osama bin Laden and Abu Zubayda then we had everybody,  
3 everybody -- Tunisian, Morrocan, Algerian -- they come,  
4 okay; before the middle of 2000, okay, that was -- there  
5 was Saudi, Yemeni, very little would be -- when I say  
6 "little," little, one, two Qatari, Emirate, very few, and  
7 Egyptian to -- no -- no simple guy, no foot soldier,  
8 Egyptian not, that -- you know -- you know, when I think  
9 about it, only the top people, the old jihad. But we  
10 didn't have any new Egyptian, nothing.

11 Q Did the Saudi recruits ever arrive with money?

12 A The -- most of the Saudi we -- on our record  
13 give to me first, okay, okay, and I will approve --  
14 approve them to office so I will give it to Abu Bakr  
15 al-Suri, okay, money, \$50,000, \$100,000, quite big money  
16 for me I think, okay, but for them that's what -- and it  
17 represent -- they were -- represented their donation from  
18 their mosque or for a group of friend where they collected  
19 the money from a -- from a -- that's their way -- their  
20 money that they collected by themselves, I'm not talking  
21 about the money that was send by the shaykh.

22 Q When you were speaking about the population of  
23 the recruits in the early part of the time you were  
24 running the guest house you indicated that -- I think you  
25 said that 100 percent of them were Saudis or Yemenis; am I

1 correct?

2 A Yeah, that's -- yeah, I could say, I mean,  
3 the one -- truly there would be one Nigerian, one Moroccan  
4 here, but I can say 100 percent were Yemeni. There were  
5 also Western.

6 Q At its height how many recruits were staying at  
7 Hajji Habash at any one time?

8 A You want exponentially. Initially it was 100,  
9 and after I -- I remember it -- we have -- we have to  
10 build new electric, new toilet and shower, and it must  
11 have been 200, something like that, and when I left it was  
12 full, and we had -- we had to -- to -- to -- to shift  
13 people more quickly because people be -- initially we do  
14 one or two -- because I -- I used to drive a van  
15 initially, okay, to -- to take -- the minivan to take the  
16 people from the -- the guest house to the camp, we used to  
17 do once or twice a week, then after it become every day,  
18 okay. So when I -- I left it become every day.

19 Q How long would a recruit typically stay at  
20 Hajji Habash before going to the camp?

21 A Initially it -- they will stay a week, after  
22 that they will probably be three day, and depending which  
23 time of the year, because -- depending if it's winter  
24 or -- or -- or autumn.

25 And also it depends if there were military,

1 because sometime everybody will be sent to the -- to the  
2 front line in Kabul, that happen. If we had -- we were  
3 informed that there will be an offensive of the Taliban,  
4 they will attack the -- the Mosul, everybody will go to  
5 the -- to the front line.

6 Also, when the -- the Iranian Sharif in the --  
7 in the -- what's his name -- Mazar Sharif, they -- they  
8 had to stand up to the Taliban, everybody went, many  
9 people went there, okay.

10 So sometime you -- you be empty in matter of  
11 one day, and sometime we will be full, you understand me?

12 Q (Attorney nodded.)

13 A Okay. So they not -- there was not, I mean, a  
14 real routine, but if there was -- when on normal time,  
15 okay, okay, initially it would be every week, and, then,  
16 after three day, and the faster the better, because we had  
17 the -- we had problem in the -- in the -- in the -- in  
18 the -- in the guest house when people stay without doing  
19 nothing, so they become -- they start to act --

20 THE COURT REPORTER: Act what?

21 THE WITNESS: Silly. Sorry.

22 THE COURT REPORTER: That's okay.

23 THE WITNESS: They -- they act -- they don't  
24 have nothing to do they start to -- to acting silly.

25 MR. MALONEY: Silly.

1 Q (By Mr. Carter) In your position running  
2 security at Hajji Habash, do you know whether any of the  
3 recruits ever received assistance from relief  
4 organizations to facilitate their travel?

5 A Most of the Yemen people will obtain their visa  
6 from Pakistan relief organizations.

7 Q Do you recall the names of any of those relief  
8 organizations?

9 A I recall the Al-Haramain Islamic Relief, the  
10 World -- the World Muslim League, the -- that's what I  
11 recall now. I will -- I give you a list, you know, I -- I  
12 didn't memorize this. But when -- it was also a Muslim  
13 Youth Re -- Foundation, the -- the Rahji Foundation. It  
14 was also the -- the bank of Rahji, and there was also the  
15 Saudi High Commission, okay.

16 That's when the Saudi get -- for example, I  
17 know Osama bin Laden told me that he -- this is not  
18 directly to what you say -- but Osama bin Laden told me  
19 himself -- but I recall it now -- when I came back from --  
20 from -- from Malaysia and London and I had to renew my  
21 passport, and there was a stamp, a Pakistani, so I got a  
22 new Pakistani stamp, and I didn't want -- didn't want  
23 Paki -- Paki -- Pakastani stamp when I knew that I was  
24 going over to the United States, and Shaykh Osama told me  
25 that if I had been Saudi, Turki will have renew my

1 passport, and, so, I knew that most of the 19 hijackers  
2 had their passport renewed by Turki with the help of them.

3 Q Okay, you indicated that the Hajji Habash guest  
4 house was across the street from the Arabic Institute,  
5 correct?

6 A That's correct, it was just across -- I mean,  
7 literally across on the -- on the -- on the right of  
8 the -- of the Institute.

9 Q Did the Arabic Institute serve any function in  
10 housing people who were visiting al-Qaeda?

11 A The Arabic Institute we be -- use as kind of a  
12 semi-guest house for top people, okay, who we don't want  
13 to be exposed to the -- the foot soldier of al-Qaeda,  
14 okay, who wanted to maintain a -- a good cover of secrecy,  
15 okay. So any shaykh will go there, any Saudi shaykh, any  
16 shaykh there usually that's -- they will come -- okay,  
17 everything, okay, work by taxi, so they will come in the  
18 morning, afternoon taxi, and just for -- for the time he's  
19 there they will stay one or two day, or just the time to  
20 organize the transportation and they will be taken  
21 directly to the airport; and some people will directly, if  
22 really they're -- they are -- they want complete secrecy,  
23 they will come directly to the airport, they will not come  
24 to the Arab Institute.

25 But the Arab Institute was used as a secret

1 guest house for -- for important people who wanted to --  
2 to maintain some of their secrecy. For example, Shaykh  
3 Salman, Shaykh -- Shaykh -- Shaykh -- oh, what's his name  
4 now -- al-Hawali went directly on -- probably I think on  
5 the same day they went to the airport.

6 Q When you say Shaykh Salman, do you know the  
7 full name of that shaykh?

8 A Shaykh Salman al-Awdah.

9 Q And when you say Shaykh Hawali, do you know the  
10 full name of that shaykh?

11 A I never is -- I don't -- I -- I -- I used to  
12 know it, but I don't remember it.

13 Q Is he a Saudi?

14 A Yes, yes, he's very famous. Yeah, he have a  
15 famous book, or he's famous.

16 Q Did both of those shaykhs, to your knowledge,  
17 come to visit Osama bin Laden?

18 A Yes. Yes, definitely. I -- I saw them in  
19 the -- I saw them -- I don't remember if it was I saw them  
20 in the Institute or in the -- in the airport, but I saw  
21 them.

22 Q Do you recall --

23 A I think it was -- become quite -- quite the  
24 talk of the day despite -- despite the secrecy, because  
25 there never is any secrecy. I mean, secrecy, it's a

1 concept.

2 Q Do -- do you recall whether any other  
3 representatives or members of the Saudi ulema visited the  
4 Institute?

5 A Yes, the -- the -- some messenger of them. I  
6 know that people directly sent by Dami and Bin Baz and  
7 shaykh came many time, okay, I don't recall their name  
8 because they were -- they were not famous to me.

9 Q Do you know what the purpose of their visits  
10 were?

11 A I know that it -- some of them -- initially  
12 there were a lot of people who came to assault(sic) and --  
13 the Taliban way and -- towards -- towards -- to a -- a  
14 real Islamic state, that was to be something that was the  
15 talk of the day, you know, okay, a lot of people came for  
16 this; then after that some people came just to -- to pay  
17 the visit and give money and to have the aura of having  
18 been to -- to Afghanistan, because -- I don't want to go  
19 too much into this -- but the -- there was a lot of  
20 bragging about I been to Shaykh Osama bin Laden, I been to  
21 Afghanistan, I'm the real deal, I'm a real mujahid, I'm a  
22 real fighter for Allah.

23 Q Were the shaykhs who came to visit bin Laden in  
24 Afghanistan supporters of bin Laden's operations?

25 A I can -- can say with absolute certainty that

1 without the express and direct consent, approval and help  
2 of Bin Baz, Uthaimen and Shehri and the ulema -- the --  
3 the top ulema of -- of Saudi Arabia there will be not a  
4 single Saudi inside the camp, because all of them will be  
5 only come because it was Islamically halab and mubier auto  
6 right(phonetic) -- it was Islamically auto right to fight  
7 and to front line, personal obligation for Muslim to fight  
8 against Basru and to create an Islamic state.

9 Q You mentioned that there was a large library  
10 within the Arabic Institute, do you know where most of the  
11 books came from?

12 A All of them come from Saudi Arabia.

13 Q Okay.

14 A Because I -- I can know because we -- we --  
15 company -- it was shipped from Saudi Arabia through a  
16 company, and the company was to -- from Ka -- Karachi,  
17 and, then, after it come from Budette, and, then, after  
18 to -- to Kandahar.

19 And all the book were brand-new, and all of  
20 them had been given by Uthaimen and -- mainly by  
21 Uthaimen, and it was Abu Hafs who receive. Abu Hafs al  
22 Mauritani.

23 Q Do you remember who published the books?

24 A You talking about a complete Islamic library.  
25 I mean, you -- you have all the -- it's not one publisher

1 or one author, you have a thousand, you -- you talking  
2 about the -- there was three room with all of them the --  
3 from top to bottom the wall full of books.

4 Q And all of the books were Saudi, correct?

5 A All of them came from Saudi Arabia, they're  
6 all -- all been sent by Uthaimen, and it was kind of a  
7 gift to Shaykh Osama, and it was given to -- under the  
8 responsibility of Abu Hafs Moritani.

9 Q And was there Islamic instruction given at the  
10 Arabic Institute?

11 A Yes, it used to teach Arabic. I stayed there a  
12 few months where I -- for the first time I sit down and  
13 start to learn read and all this; and -- and the Taliban  
14 used to come every afternoon, okay, to receive either  
15 Islamic study course or Arabic courses.

16 Q And was the Islamic teaching at the Institute  
17 closely aligned with Saudi Islamic teaching?

18 A It was -- it was 100 percent. It - it's  
19 what -- what -- the American use the word "Wahhabi," yes,  
20 it's actually what the -- that's what -- the famous  
21 Wahhabi, we -- but it was the -- the understanding of  
22 Islam was the understanding that you teach by the Wahhabi  
23 scholar, nothing else, you have -- they were not teaching  
24 Hanafi or al-Maliki or al-Ashafali, no, or Hana -- even  
25 Hana -- Hanafi with the -- the -- the supposedly creator

1 of Saudi Arabia, he's being -- only teach in line with the  
2 Wahhabi, and the Uthaimen and Bin Baz understand.

3 Q Was there also a -- a house 6 in Kandahar that  
4 was associated with al-Qaeda?

5 A Yeah, that's -- the house 6 was the house where  
6 you will bring people that were under suspicious of being  
7 spy.

8 Q At a certain point in time did you receive an  
9 additional assignment from Osama bin Laden to deliver  
10 letters on his behalf?

11 A I did receive -- Osama bin Laden ask me to --  
12 to -- to take a pack of letter to Saudi Arabia, and he  
13 told me that I will go to -- to Pakistan, and in Quetta I  
14 met with Abdullah al-Pakistani, okay, and, then, we went  
15 to -- to Islamabad, and he -- he was the one who was  
16 organizing the -- the stuff for me, but we meet Baba Gul,  
17 who is knowing General Gul, okay, and he's the one who  
18 brought me to the Saudi High Commission, the embassy,  
19 okay.

20 And, then, I stay, I think, the same day, okay,  
21 okay, I went to -- by private plane to Riyadh, and that's  
22 the first time I made to meet with the Prince -- what  
23 you -- what he call himself -- Emir, Prince Turki Al  
24 Faisal Al Saud, okay.

25 And the -- the day after, okay, I -- I -- I

1 went and toured -- toured a big palace, okay, okay, and I  
2 spent one night there, overnight, the morning -- I believe  
3 it was in the morning -- I -- I went to a -- with Turki,  
4 he came to get me, and we went to a -- to a -- a meeting  
5 room, or big room, okay, where there was Abdullah and  
6 Bandar -- Prince Abdullah, Prince Bandar, okay -- and I  
7 give Prince -- I remember Prince -- to give letter to  
8 Prince Abdullah, Prince Bandar, Prince Salman, and Waleed  
9 bin Talal, okay.

10 And there was other letter that Prince Turki  
11 told me that the people were not available, okay, and I  
12 say he wanted me -- he wanted me to give it to him, I say  
13 no, that Shaykh Osama said to give them by hand.

14 And, so, the day after -- I think the day -- it  
15 was the day after -- one or two day, okay, not more -- not  
16 more, okay, Turki give me two letter I believe -- one or  
17 two, but I think -- I believe two, okay -- to brought back  
18 to Osama bin Laden, okay.

19 And I -- so we went -- okay, so I didn't go to  
20 the airport, the plane landed into a private airport,  
21 okay, and -- so after that I took pro -- took -- took the  
22 plane back, okay, the same plane I believe so, and we went  
23 to Islamabad, okay, from Islamabad I went to Ab --  
24 Abdullah, I took a plane from Islamabad to -- to Quetta,  
25 and Quetta I went by car to Codette(phonetic) -- Codette,

1 Quetta -- and I gave the letter to Osama bin Laden; and I  
2 think that two, three day, but not much, okay, Osama bin  
3 Laden asked me a second time to give to -- to -- a  
4 letter -- letter -- I think it was two letter, okay, and  
5 this time just to give it to Turki.

6 So this time I went -- did the same thing, I  
7 went back and I went to the High Commission, this time I  
8 didn't see what's his name, Baba Gul -- General Gul -- and  
9 I went -- okay, the first time Turki give me a card, a --  
10 a business card, and the -- the people in the High  
11 Commission they -- they -- they recognize me, okay, I give  
12 them the card, okay, and I -- I believe that some  
13 telephone call was -- was done, and I was put on a plane,  
14 and I went to -- to Ja -- to -- to Riyadh, 'cause  
15 that's -- I -- I am going to Jeddah, okay -- that was  
16 another time, okay -- and after that I give the letter,  
17 and, then, I come back.

18 Q During your first trip do you recall  
19 approximately how many letters Shaykh Osama gave you?

20 A I think seven or eight.

21 Q Do you recall whom they were addressed to?

22 A Only the people -- I recall the people that  
23 I believe I was familiar, the name I heard before, okay,  
24 Abdullah, Fahd, okay, Salman, Waleed bin Talal, Bandar,  
25 Turki of course, and Shaykh -- Shaykh Bin Baz, Shaykh

1 Uthaimen, Shaykh Shehri, and Shaykh Hammoud al-Uqlaa, but  
2 Shaykh Osama told me that the -- the letter for the --  
3 for -- for the ulema I could give it -- give it to Turki,  
4 but the letter for the -- for the prince, no, he didn't  
5 want it.

6 Q Did Osama bin Laden at that time identify  
7 Prince Turki as your principal point of contact for this  
8 trip?

9 A He told me, yes, he said that you will -- you  
10 will go and you see Prince Turki, and I ask Abu -- Abu  
11 Hafs about why the -- that I was -- because I knew that  
12 the one who was used to be doing this it was Khalad, and  
13 he told me that they wanted me to do it because I was not  
14 Saudi and, so, they -- they thought that it will be out --  
15 I could not be pressurized and I could not be corrupt or  
16 threatened because I didn't have any family in Saudi  
17 Arabia, so that's why they asked me.

18 Q You mentioned that you --

19 A Before I forget also, that my -- that they saw  
20 that I -- I could travel and not have problem, 'cause they  
21 know that Saudi, they are not good at travel.

22 Q You mentioned that during your journey you  
23 visited offices of the Saudi High Commission, did I  
24 understand that you said that those were located in an  
25 embassy?

1           A       Yeah, Islamabad. The Embassy in Islamabad,  
2       that's where I was brought by Baba Gul. General Gul.

3           Q       Which embassy?

4           A       Of Saudi Arabian Embassy in Islamabad.

5           Q       And you also visited that embassy during your  
6       second trip; is that correct?

7           A       That's the -- the second I -- I -- just exactly  
8       like the first time. I went to Islamabad, and this time I  
9       didn't ask for General Gul, and I went with Abdullah,  
10      Pakastani, to the embassy, and I just give them the card,  
11      and, then, after I was put on a plane, and this time I  
12      went to Riyadh, but I didn't stay except maybe a day,  
13      okay, but -- I just -- I saw Turki and I went back.

14          Q       During the first trip did you at any point read  
15      any of the letters?

16          A       No.

17          Q       Do you know what the letters were about?

18          A       No, I don't know what the letter were about --  
19      about because Osama bin Laden didn't tell me, but I know  
20      that it -- at the time the -- the -- the -- the talk  
21      inside the -- the circle of Osama bin Laden was about the  
22      fact that King Fahd was very sick, he was going to die,  
23      and it was to -- to know about who was going to take the  
24      succession, and there was competing between Nawaf, who was  
25      Chief of the National Guard, or -- okay, one who had

1 the -- Sultan who -- another bro -- brother -- they have  
2 seven brother to -- who -- who are taking power, that was  
3 what it was about, that's the general idea I had, but I  
4 don't -- I never saw the written letter or never --  
5 never Osama bin Laden told me specifically what it was  
6 about, no.

7 Q Do you have any understanding why in that  
8 context Osama bin Laden would have been sending letters to  
9 both members of the royal family and the senior ulema?

10 A My understanding from talking with people like  
11 Abu Basir al-Wahishi who become the -- the head of  
12 al-Qaeda in the Arabian peninsula, who I used to be close  
13 to, okay, or Halad or Shaykh Abu Hasan, Shayk Mujahideen,  
14 Shaykh Aman, and Shaykh Abul Sef -- my understanding that  
15 they -- they want to know who they should support,  
16 because -- and they supported Abdullah, who become the  
17 King, okay, and that's what it was about.

18 Because for them the -- the Prince Abdullah was  
19 the lesser of all the evil, because Nawaf was known as a  
20 extremely anti-Islamic person, okay, Sul -- Sultan was  
21 being seen as a sodomite, okay, okay, and -- and -- and  
22 the Abdullah was seen as a traditional Arab most -- mostly  
23 be -- be fasiq and touching in -- in criminal activity.  
24 When I say "criminal activity," fornication,  
25 homosexuality, drinking, but still a Muslim, so -- but

1 Nawaf was branded an apostate, Fahd was an apostate, so  
2 for -- at the time the -- the -- my understanding is that  
3 Osama bin Laden, and be -- in talking with Abu Hafs --  
4 Commander Abu Hafs al Mauritani and the people of -- of  
5 Saeed and the people of -- of -- of al-Qaeda ash-Shura,  
6 they were seeing that it's better for ul -- for al-Qaeda  
7 to -- to -- to accept Sul -- what's his name --  
8 Abdullah -- Prince Abdullah than to have -- to declare an  
9 apostate and to be against him, that will give him more  
10 chance to -- Nawaf and Sultan -- to take power.

11 Q Why would the ulema have a say in that process?

12 A Ulema, essentially they are the king maker.  
13 If -- if the ulema say that you should not take power, you  
14 are not going to take power.

15 And the ulema were important because they are  
16 the people who -- who -- who certify the Islamic legality  
17 of the jihad of Osama bin Laden.

18 So Nawaf, Sultan, all the prince, they were  
19 giving money, helping Osama bin Laden so he know the -- to  
20 get, let's say, favor, or especially not to get the -- the  
21 wrath of the ulema -- the Wahhabi ulema and to declare  
22 apostate, because they could -- they could, let's say, put  
23 forward their -- their donation and activity for Osama bin  
24 Laden to counteract or to contradict anybody who said that  
25 people are apostate because, look, he is drinking, he is

1 doing fornication, he is now engaging in homosexuality, so  
2 he is not a Muslim, okay, the bad news anymore he is not a  
3 Muslim, or he is a friend of the America, but it's okay  
4 for -- he is doing all this, but, look, he is giving money  
5 to Osama bin Laden, he is sending people, material, blah,  
6 blah, blah, and -- and everything, all this charity work  
7 and all the supervision, and he could stop them, but he  
8 allow them to operate, this is proof that this guy is not  
9 a complete apostate, he's what's called a "fasiq," or even  
10 a munah(phonetic), because even you can be a munah, it's  
11 better Islamically than to be a -- a motah(phonetic).  
12 Motah is an apostate. Once you are -- you are branded a  
13 motah is finished, okay, but it's never finished.

14 Q All right.

15 Did the members of the Saudi royal family you  
16 met with during that first trip know that you came as a  
17 representative of Osama bin Laden?

18 A Absolutely, because my -- my name was never  
19 mentioned, okay, and this was a letter from Shaykh Osama  
20 bin Laden, and Turki, I mean, that -- he said -- I was  
21 introduced as the messenger for Shaykh Osama bin Laden.

22 Q Did they treat you well during the visit?

23 A Extremely well.

24 Q Okay. Where --

25 A It's a holy place.

1 Q Where did the meeting that Prince Turki took  
2 you to with the other members of the royal family take  
3 place?

4 A I mean, the -- I know that the -- we went in  
5 the -- to a private airport, okay, then when I went out --  
6 went out of the plane there was a car, we get into a car,  
7 a -- a limousine, and I was taken to a place, it was like  
8 a Hilton Hotel, okay, and the next morning I was -- Turki  
9 came and we went to a -- to -- to a big room, and there  
10 was Abdullah and there was Sultan, Bandar, and there was  
11 Waleed bin Talal, and Salman, there was one person I  
12 believe more, I don't know his name, but there's plenty of  
13 princes, okay, when I say this, there's much more, okay.

14 And -- and I give them the letter, okay, and I  
15 had gave the letter of the ulema to Turki, but the letter  
16 to the other prince was given -- Shaykh Osama asked me to  
17 give it by hand to them, and I returned with some, I  
18 believe two letter, that was not given to Turki.

19 Q Did Prince Turki also give you a letter to  
20 return to --

21 A Yes, I -- I believe that he give me two letter  
22 to return to Shaykh Osama bin Laden.

23 Q Do you know who wrote those letters?

24 A No, I -- I believe it one of the prince, but  
25 I -- I don't -- I don't -- I didn't ask or try to find

1 out.

2 Q Did Prince Turki specifically ask you to  
3 deliver those letters to Osama bin Laden?

4 A Yes. Yes, he -- that's -- was the whole  
5 purpose of my visitation, so I -- he -- he did ask me, say  
6 this is for Shaykh Osama bin Laden.

7 Q When you -- after you gave those letters to  
8 Osama bin Laden did he give you a further letter to take  
9 to Prince Turki?

10 A The second time the -- after I was in the  
11 first?

12 Q (Attorney nodded.)

13 A Yes, I -- I returned with two letter, and I  
14 give only to Turki.

15 Q Did you understand that there was some kind of  
16 ongoing dialogue at this time between Osama bin Laden and  
17 the Saudi royal family?

18 A Definitely, because the second time when I came  
19 back I came back with some money.

20 Q Who gave you the money?

21 A In the -- in Pakistan. So I know that went  
22 well. It went -- it went well because -- it was not a big  
23 amount of money, but I know it -- it went well because it  
24 was money -- it was given for me for travel, but I knew  
25 that by -- by doing this I know that it -- it went well.

1 Q Where in Pakistan did you pick up this money?

2 A No, but -- let -- let me tell you, it was  
3 the -- the guy in the High Commission asked me if I  
4 need -- if I need anything, he said money for you to  
5 travel, okay, but -- so I knew that the -- it went well  
6 because, otherwise, he would not have given me this money.

7 Q And that was at the Saudi Embassy in Islamabad?

8 A The Saudi, yeah, Embassy in Islamabad. 'Cause  
9 the first time he didn't give me money.

10 Q (Attorney nodded.)

11 A I think that the bribe money.

12 THE COURT REPORTER: Excuse me?

13 THE WITNESS: I know that's the way they  
14 operate.

15 Q (By Mr. Carter) What size was the private jet  
16 that you took the first trip from Islamabad to Saudi  
17 Arabia?

18 A A major. Not the king craft -- king, but  
19 smaller than a king.

20 Q Do you recall how many seats it had?

21 A I think six. I -- I saw many time this is a  
22 small -- small, private jet. It's familiar to me, a  
23 small-size airplane, not -- I would think six or eight,  
24 but not more.

25 Q Were you the only passenger?

1           A     In the -- only one Saudi with me, okay, and  
2     also the crew, but only one Saudi from the High  
3     Commission.

4           Q     Did you take any other trips to Saudi Arabia on  
5     behalf of Osama bin Laden?

6           A     Yes, yes, I went on behalf for al-Qaeda -- for  
7     al-Qaeda -- for my business for al-Qaeda, yes, to Jeddah,  
8     I went to -- to Mecca, to -- to Riyadh, I went to -- to  
9     Medina, okay. So, yes, I did, but it was not like this  
10    trip. This trip was basically as being kind of a military  
11    or familiar to -- from a -- to -- to the prince, okay,  
12    that's basically.

13                    Otherwise, for my business, when I need -- for  
14    example, if I leave for -- for different arrangement  
15    during -- when I was trying to do thing for my -- my -- my  
16    operation or -- or also after that for -- for -- Abu Hafs  
17    ask me something that can you go there, or if we have  
18    problem with brother to find out who they were and all  
19    this I would go to Saudi Arabia, and -- or to --  
20    especially to Jadar and Mecca, and I come back.

21           Q     Did you ever on any of those trips meet with  
22    any of al-Qaeda's supporters?

23           A     Yeah, yeah, I met in Karachi plenty of time,  
24    Halad, Mukhtar, and Ha -- Badr.

25           Q     No, I -- I apologize, Mr. Moussaoui, I -- I was

1 asking whether or not you met with any of al-Qaeda's Saudi  
2 supporters within Saudi Arabia on any of your trips.

3 A Yes, I am going to say Croatiary -- Croatiary,  
4 I -- Ibrahim bin Mahfouz, then Abu Bakr al-Akida, and  
5 some -- some -- I mean, when I went to Mecca, plenty --  
6 when I would go to Mecca, plenty; and when I went to  
7 Medina, also plenty. I mean, the -- when I went to --  
8 to -- to this place you go to -- to certain house and  
9 everybody was not Afghanistan, you understand? I mean,  
10 everybody was an Afghanistan.

11 When I went to Medina the same thing, I mean --  
12 and you go to a certain mosque and you see that the --  
13 everybody Afghanistan or a brother from Afghanistan, this  
14 is like a very -- a -- a kind of jihad circle, you know,  
15 if that's the way -- if you -- you go to the -- to Shaykh  
16 Salman, everybody supporting the jihad. At the time  
17 everybody was supporting jihad, because everybody was  
18 trying to -- to have the American leave the -- the -- the  
19 holy mosque land -- the land of holy mosque. That's what  
20 we call it, Saudi Arabia.

21 Q Mr. Moussaoui, thank you, I think that is the  
22 end of our questions on the subject of the trips.

23 Do you want to take your oath again?

24 A Yes. I swear by Allah that everything I just  
25 say is true. I swear by Allah that everything I just say

1 is true. I swear by Allah that everything I just say is  
2 true. I swear by Allah that everything I just say is  
3 true.
